

# Floji for Small Businesses

Everything a small business needs in one easy platform.  
Communication, collaboration and support for every budget.

Floji is simplifying communication and customer support for small and growing businesses like yours. When you bring phone, video, messaging and customer support together in one platform, everything gets easier.

## Why Floji for small businesses?

### Connect and grow

- ✓ **Set up Floji in minutes.** Keep your existing numbers, or let us provide you with new ones.
- ✓ **Work from anywhere.** Easily move between devices without disrupting the conversation.
- ✓ **Connect with everyone.** Collaborate seamlessly with everyone inside your organisation and anyone outside it.
- ✓ **Do more while spending less.** Enjoy all-in-one communication, collaboration and support at an unbeatable price.
- ✓ **Grow your business.** Drive sales, cut costs, and build lasting connections with customers and partners.

### Improve customer support and engagement

- ✓ **Delight your customers.** Support customers across key digital channels (including voice, video, WhatsApp, web chat and email), all from one place.
- ✓ **Engage proactively to drive sales.** Start the conversation through Floji-powered live chat on your website.
- ✓ **Find resolutions faster.** Provide support through chat, voice or face-to-face video, and speed things up with canned responses.
- ✓ **Stay on top of all your support.** Discover innovative workflow automation, with inbuilt customer engagement tracking.

**Simplify** the way you work. Manage all your communication and customer interactions through a platform that's **optimised for small businesses**. Enjoy the best collaboration and customer support tools, whatever your budget.

**Get started today. Stay on the free plan for as long as you like.**  
**All core features included.**
