floji

Enjoy the best of both worlds, with a powerful, yet affordable all-in-one communications solution. Floji integrates **phone**, **video**, **messaging** and **collaboration tools** into one platform where you can manage all your team and client conversations.

Built to deliver seamless communication across the professional services sector.

Connect your organisation

✅ **Work from anywhere.** Make the world your workspace. Ensure everyone in your organisation can work productively from anywhere, on any device.

✅ **Dedicated collaboration spaces.** Easily set up shared working spaces for internal teams, external partners and clients.

✅ **Collaboration tools.** Team messaging, secure file sharing, screen sharing, one-click video conferencing and more.

✅ **Business telephony.** Everything a modern business needs from its phone system, including seamless hardware integration, call routing, IVR, call recording, third party SIP integration and more.

All your client communication

✅ **One platform. Every channel.** Meet clients on their preferred channels – phone, video, messaging, email, live chat, WhatsApp – all from your Floji dashboard.

✅ **Engage proactively.** Take the initiative, by adding Floji-powered live chat to your website. Broadcast promotions and anticipate client queries.

✅ **Stay on top of support.** Inbuilt client engagement technology ensures you always keep pace with enquiries and support requests.

✅ **Better client experiences.** Build trust and strengthen relationships by delivering the highly-personalised support that clients long for.

Keep everyone in your organisation connected, while delivering **world-class client experiences**. Across the professional services sector, from accounting and advertising to recruitment and law, Floji is transforming business communication and collaboration for the better.
